

‘Option Choices Form’

You **MUST** bring this **COMPLETED FORM** to your **Options Interview**

Full Name:		Form:	
-------------------	--	--------------	--

Instructions

- First select any **FOUR** subjects you wish to study from the lists below. Make sure you read the subject information in the booklet before making a choice. Then complete the **Option Choices** boxes below in order from your first choice subject to your fourth choice subject.
- Then select a further **TWO reserve subjects** from the same list. Complete the remaining two Option Choices and Reserves boxes. Again fill them in order of your first reserve then second reserve. These are in case it is not possible to give you all your preferred choices. The Academy will consult with you and your parents before any reserves might be used.
- If you have not chosen **six** different subjects, we will assume that you are happy for the Academy to choose any option available on your behalf.
